

# Jack and Jill Pipe Stands

Models 440 / 441

Jack and Jill Pipe Stands are incredibly strong. Under test conditions, the tripod base held 1800 kg before showing any signs of distortion. The standard 'V' head is rated at 1000 kg. The modular head system makes complicated and expensive changeovers a thing of the past. The Jack or Jill stand is a safe, rugged, compact and lightweight pipe stand that is easy to store in a job box or truck.
