

Accuwrap II

Model 229B

OVERVIEW

The Accuwrap II is an easy-to-operate, hand-held pipe wrapping device. The lightweight, low-profile design allows flexible and fast application of tape ranging from 2" to 18" wide. Sawyer Mfg.'s Accuwrap II simplifies tape coating and permits spiral and cigarette wrapping with the proper overlap. Independent adjustments ensure the proper tension every time.

FEATURES AND BENEFITS

- Three machines fit tape widths 2"-6", 6"-12" and 12"-18"
- Accommodates tape with 1-1/2" or 3" tape core diameters and up to an 11" diameter tape roll
- Applies release liner or plain tape coatings
- Separate tension adjustments allow for tape and release line take-up
- Ideal for spiral and cigarette wrapping
- Used for any pipe 4" and larger
- Easy to operate
- 1 year warranty

Please Note:

- Accuwrap II machines are sized by the width of the wrapping tape they use; 2-6", 6-12" and 12-18"
- Any Accuwrap II machine will fit any size pipe 4" and up.
